

LOUNGE

Redefining the friendly get-together

We want you to feel as if you are at home with friends. Our welcoming lounge forms the heart of the Hotel de Londres. You can meet there over a glass of wine and chat and unwind after a busy day of sightseeing and discovery. Why not sample our range of culinary delights and treat yourself to a drink from the honesty bar – or lose yourself in one of the literary works from our library? Our large terrace, which overlooks the town square in Brig, provides a relaxing setting where you can sit back and enjoy watching a unique tableau of local life. The lounge and terrace can also be booked for events.
